

## ADVERTISER INDEX & CODE LOCATOR

It's simple and convenient! Check the sidebar to the left of each advertiser listing for the category that is of interest. For example, if you want to learn more about the restaurants or food services on Pine Island that advertise in the GUIDE, just look down the alphabetical listings in the ADVERTISER INDEX for the Code Designation "RF". Then proceed to the pages(s) indicated for each "RF" listing. When you find what you like, you will be free to proceed figuratively or literally to that restaurant or a food service! "Enjoy your meal!" For other services, same procedure!
