COVER ARTIST - DIANNE WICKES
Dianne "GreenWoman" Wickes is a local artist, who is also a Jimmy Buffett and "trop rock" music fan. In 2005, at the request of a friend who wanted a CD cover, Dianne took up watercolors. She is well known in the world of "parrotheads" through the dozens of CD covers and t-shirt designs she has done for trop rock musicians and events. She has also help raise thousands of dollars for charity with paintings donated to Buffett fan club auctions all over the country. Her favorite subjects are tiki bars, mermaids, beach scenes, "party flamingos," and other tropical themes. Her paintings can be found at the Olde Florida Outpost, at 3269 Stringfellow Road in Saint James City, on Pine Island, where she lives. She can often be found at live music events in Matlacha and Saint James City with her African gray parrot on her shoulder, still drawing on napkins.
